

Séminaire annuel de l'IFR MARRES

16 Octobre 2025

Le Saint PAUL, 29 boulevard Franck Pilatte, 06300 Nice

8h30 - 9h10 Arrival

9h10 - 9h20 Welcome address

09h20 - 10h00 Invited Speaker - **Cristina BRITO** - NOVA FCSH, Lisboa (POR)

The Blue Humanities and Conservation of Marine Mammals

10h00 - 10h20 Selected talk | **Nawel BELKESSA** - ICN UniCA/CNRS, Nice (FRA)

Molecular approach of uranium and neptunium accumulation in bivalve *Mytilus Galloprovincialis*

10h20 - 10h40 Selected talk | **HILMA Rila** - IRCAN UniCA/CNRS/INSERM, Nice (FRA)

Monitoring coral reef health based on non-invasive photo colony analysis by AI machines

10h40 - 11h00 Coffee Break

11h00 - 11h40 Invited speaker - **Xavier BAILLY** - SBR, Roscoff (FRA)

Environmental Biomimicry and the Induction of Natural Biological Functions in Captive Marine Organisms

11h40 - 12h00 Selected talk | **Aziz MULLA** - ECOSEAS UniCA/CNRS Nice (FRA)

Unravelling the Reproductive Dynamics of Cystoseira Forests across the Mediterranean

12h00 - 12h20 Selected talk | **Frédéric DELLA-PIETRA** - Divers4Méditerranée (ONG, FRA)

Présentation de l'ONG Divers4Méditerranée

12h20 - 14h00 Pause déjeuner/buffet & échanges

14h00 - 14h40 Invited Speaker | **Christian HAMM** - AWI, Bremerhaven (GER)

The wonderful structures of marine organisms and their application in technology, architecture & art

14h40 - 15h00 Selected talk | **Estelle BONNET** - C3M UniCA, Nice (FRA) / CSM, Monaco (MON)

***Exaiptasia pallida*: a relevant organism to unravel conserved ancestral innate immune mechanisms**

15h00 - 15h20 Selected talk | **Erwin REYMONET** - ECOSEAS UniCA/CNRS, Nice (FRA)

Studies pressure on marine forest need a baseline of knowledge

15h20 - 15h40 Pause Café

15h40 - 16h00 Selected talk | **Luis Alberto BEZARES-CALDERON** - LBDV-IMEV SU/CNRS, Villefranche-sur-mer (FRA)

Sensory EvoDevo of Zooplankton comes to town

16h00 - 16h20 Selected talk | **Mickäel WURTZ** - IRCAN UniCA/CNRS/INSERM, Nice (FRA)

Longevity and rejuvenation in the sea anemone *Nematostella vectensis*

16h20 - 16h40 Selected talk | **Cécile SABOURAULT** - ECOSEAS UniCA/CNRS, Nice (FRA)

Monitoring of marine biodiversity by environmental DNA and artificial intelligence

17h00 - 19h30 Évènement Spécial
Inauguration du Réseau Marin du PUI MED'INNOV

19h30 - Apéritif dinatoire - enjoy the Evening & time for stimulating exchanges
